Rotorua Tri WETSUIT LOAN

NAME	
ADDRESS	
TELEPHONE	
EMAIL	
DATE OF LOAN	
WETSUIT LOANED (SIZE)	
BOND AMOUNT	\$100.00
SIGNATURE	I agree to the terms & conditions of the loan

Terms & Conditions:

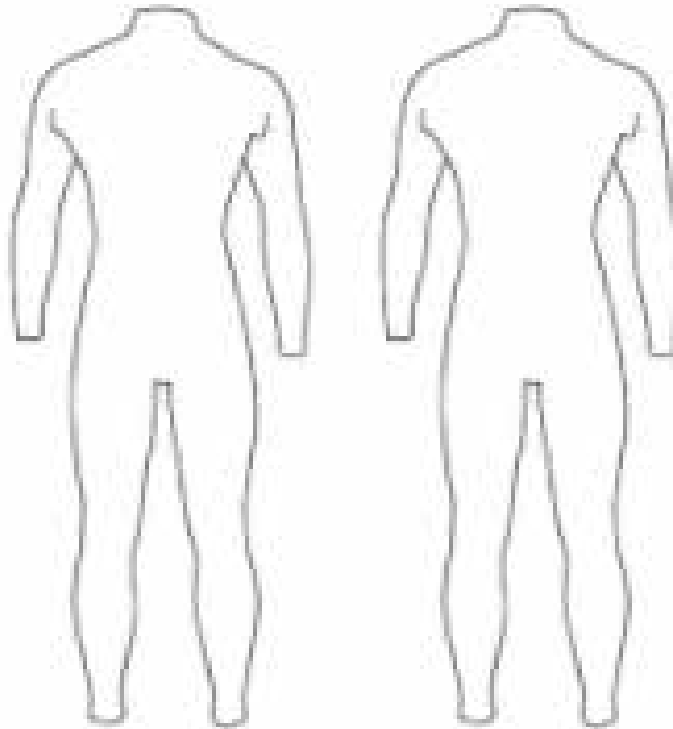

1. A \$100.00 bond is required at time of loan. If the wetsuit is returned damaged then the cost of repair will be taken from the bond amount and the surplus returned to the loanee.
2. If the wetsuit is lost by the loanee they will be required to reimburse Rotorua Association of Triathlon and Multisport the cost of replacing the wet suit.
3. This wetsuit is only suitable for use on the ocean, a lake or a river i.e. salt or freshwater only. It is not to be used in chlorine environments as this will damage the suit and your bond will not be refunded.
4. Prior to returning the suit you must:
 - a. Rinse the the suit thoroughly in fresh water. In fact you should rinse the suit out after every swim that you have. This not only keeps the suit clean but also prevents the spread of algae such as didimo which is found in some NZ lakes, streams and rivers. Be responsible and prevent this spreading further.
 - b. Dry the wetsuit inside out in the shade. Please make sure you dry it somewhere out of direct sunlight.

5. We recommend you use gloves when putting on the wetsuit and have provided special gloves with the suit.
6. Keep the suit out of the sun, away from any heat source, and away from any sharp objects.
7. Please check the wetsuit completely when you loan it and if you find any cuts or damage let us know and ensure they are marked on the diagrams below so you are not charged for the repair from your bond.
